

What a first year it has been at Calderwood Nursery. A special thanks to all of our families for the patience and support as we grew Calderwood Nursery from the ground up. Your feedback and help has supported us in creating a fantastic Early Years learning environment with innovative spaces, creative experiences and curious interactions that have our children at the heart of all aspects of nursery life.

Our Calderwood Family has continued to grow, with the addition of new champions, children and families throughout the year! Our welcoming approach means that every person that has joined has felt part of our special family. We can't wait to see how our nursery develops and grows over the next year.

Your children are what make our nursery special! It is an honour to champion them, watch them grow, learn and play everyday.

This year has been a journey that all of us will remember forever! We appreciate every person who has helped us get here.

We hope you all have a lovely summer and that the sun continues to shine over Calderwood.

Best Wishes,
The Nursery Champions

You Said, We did

Our Clan Reps shared you would like us to improve the amount of time spent waiting at pick up and drop off times. To improve this we are trialling the approach of parents being in the cloakroom to support their child to get ready to enter or leave nursery. From 27th July you should also sign in your child using the sign in sheet for your child's clan in the cloakroom.

You also said you missed some of the events in our newsletter. Therefore, in the new term, we will also introduce a call to action box in our newsletters with any forms you should complete/booking any events.

Online Learning Journals

If your child is in their pre-school year their Online Learning Journal will be deleted from our system on 31st July 2022. Please download a copy of your child's Online Learning Journal between 27th and 30th July by:

- Logging to your child's journal
- Below their picture click 'profile to PDF'
- Scroll down
- Click green button 'request profile PDF'
