

Primary 6 - Term 1

Home Learning Choice Board

My interdisciplinary context for learning is Calderwood Community.

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

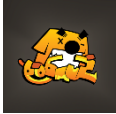

My weekly reading homework is to choose a personal reader. I can select this book from my clan library, online books or books from my home. When I complete a book I will update my reading passport.

<p>Task 1 Worded problems Click here to explore worded money problems</p> <p>develop your skills in deciphering whether the question is looking for addition or subtraction while using your knowledge of money and key words.</p>	<p>Task 4 Sumdog</p> <p>Login to Sumdog to discover weekly grammar or spelling challenges to complete.</p> 	<p>Task 7 Volleyball rules!</p> <p>This term we are looking at volleyball and the skills that go with it. Can you learn more about the sport by researching the rules and/or watching some volleyball matches online?</p>	<p>Task 10 Researching society</p> <p>Using a news source or another reliable source, can you find information about any challenges our society faces?</p> <p>Some examples; Climate change Change in monarch (The Queen's passing). Cost of living</p>
<p>Task 2 TIMES TABLE PRACTICE</p> <p>The hardest times tables to remember are the x4,x6,x7,x8 & x9. Use this link to multiplication.com and learn a table you don't know.</p> 	<p>Task 5 Description</p> <p>Using your knowledge of the 5 characteristics in description, can you describe your favourite TV or movie character in writing?</p>	<p>Task 8 Challenging yourself</p> <p>With an exercise you love, dancing, swimming, football etc. Focus on one specific skill to improve and practice it. If you can't think of a skill, ask someone around you what they think you could do!</p>	<p>Task 11 Sphero research</p> <p>Click here to explore coding and micro bits</p> <p>Use this website to look into coding and give it a go if you want to!</p>
<p>Task 3 Challenge! Click here for a countdown challenge.</p> <p>Can you reach the target number (at the top of the screen) by using the numbers provided? You can add, subtract, multiply or divide to get your final answer. You can only use each number once; you do not need to use all of the numbers. You may not be able to get the exact number at the top of the screen, in this case, the closest number wins.</p>	<p>Task 6 For the love of reading!</p> <p>Find a book, whether a new one or an old favourite. Using the description of a character or setting (or both), can you draw what you imagine it/them to look like?</p> <p>Grab a book from the clan library if you like.</p>	<p>Task 9 Mindfulness</p> <p>Take some time for yourself. Find a quiet place to be still without screens or noise.</p> <p>You could colour in quietly, listen to a relaxation track, listen to your favourite music, go for a walk.</p> <p>Try and find 5 minutes each day to do something mindful.</p>	<p> Task 12 FRENCH</p> <p>Click here to Log onto Language Nut (use your user name and password). The new topic we will be starting is greetings, school language, numbers and information about me – look out for other fun tasks too!</p>
