

Primary 6 - Term 2 (October - December)

Home Learning Choice Board

Calderwood
Primary

My interdisciplinary context for learning is 'ancient civilizations'.

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

Go to the library or search for online books about **any ancient civilizations** like ancient Greece, Romans, China, or any others you are interested in.

<p>Task 1 <u>Maths Games</u></p> <p>This term, we are exploring the topic of time. Click here to explore different games which look at a variety of skills relating to time.</p> <p>Share your favourite game on the Teams channel 'Ben Lawers'.</p>	<p>Task 4 <u>Persuasion (Talking & Listening)</u></p> <p>Our literacy writing focus is on the topic of persuasion. Choose a topic you feel strongly about (e.g. football, a video game) and see if you can persuade someone to love it as much as you do by using persuasive language techniques.</p>	<p>Task 7 <u>Gymnastics routines</u></p> <p>Based on the learning we have done and your own skills and abilities, can you create a gymnastics routine that incorporate a roll, a jump and travelling movement and a balance?</p> <p>Remember to be safe and make sure an adult is present when doing this.</p> <p>You can record this and add it to the home learning channel!</p>	<p>Task 10 <u>Ancient civilizations</u></p> <p>Take a tour around ancient civilizations with Google expeditions. Write down the places you tour and any interesting facts or sights!</p> <p>Put any notes and findings in the home learning file on teams.</p>
<p>Task 2 <u>Information is beautiful</u></p> <p>Data is beautiful. We are developing our skills in interpreting and creating data.</p> <p>Click here to look at the variety of ways data can be made beautiful. Can you collect any form of data (shoe sizes, hair colour etc) and turn it into something amazing?</p>	<p>Task 5 <u>Free writing</u></p> <p>Share your passion for writing by creating a story which includes the line 'watch out for the monkey'.</p> <p>When you are finished, you can share your work on teams in your home learning file.</p>	<p>Task 8 <u>Martial arts</u></p> <p>Do some research on different types of martial arts, make a list of all the different types of martial arts and watch videos to help gather understanding of the skills involved.</p>	<p>Task 11 <u>History and art</u></p> <p>Research famous artists through history, what was their most famous pieces of art? Look at these pieces and write or talk about your thoughts and opinions of them.</p> <div style="display: flex; justify-content: space-around;">   </div>
<p>Task 3 <u>Sumdog</u></p> <p>Sumdog is a great way to develop your skills across many areas of the numeracy curriculum. It is set to your ability and provides a fun way to learn maths. Spend some time completing numeracy challenges.</p>  	<p>Task 6 <u>Kahoot!</u></p> <p>From the books you read about ancient civilizations, can you create a kahoot to share with the clan?</p> <p>Add this to the Ben Lawers channel for clan members to enjoy!</p>	<p>Task 9 <u>Something to be proud of</u></p> <p>At the end of the week, think back to all the amazing things you have accomplished. Write down 1 thing you are proud of and put it somewhere you can see it every day.</p> <p>If you want to, share it with a champion, we love to hear about your achievements!</p>	<p> Task 12 <u>FRENCH</u></p> <p>Click here to Log onto Language Nut (use your user name and password). The new topic we will be starting is personal information and calendar dates- look out for other fun tasks too!</p>
