

Primary 7 - Term 1

Home Learning Choice Board

My interdisciplinary context for learning is: Ancient Civilisations

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

My weekly reading homework is to choose a personal reader. I can select this book from my clan library, online books or books from my home. When I complete a book I will update my reading passport.

Numeracy

Literacy

Health & Wellbeing

Across Learning

<p>Task 1 Petrol Prices – How much is petrol? Why is there a crisis? See if you can find out some information.</p> <p><i>Was petrol/diesel the same price 5 years ago? 10 years ago? 30 years ago?</i></p> <p>Why do you think it's different now?</p> <p>Create a graph (bar, line, pie) to show the difference through the years.</p>	<p>Task 4 Research Task – Use your research skills to find out all about a charity of your choice.</p> <p><i>Find out: who they help, how they help, where they are based & who is involved.</i></p> <p>Choose a way to display what you have learned with your class.</p>	<p>Task 7 Mindfulness: Click here to explore different emotions. When you are feeling worried, write about them and then let them go in a beautiful lantern.</p>	<p>Task 9 Take a look at some famous paintings from history: Click here to explore some artists.</p> <p>Choose one of them and create your own art piece inspired by their work.</p>
<p>Task 2 Cuisenaire Challenges: Use https://nrich.maths.org/4348 Select an Activity from the tab and explore what you can do with the Rods. Screenshot your progress</p> <p><i>Extra: write some algebraic equations showing all the ways you can create the length of a rod of your choice.</i></p>	<p>Task 5 Persuasive Speaking Research these techniques: -Rhetorical Question -Repetition -Voice -Body Language</p> <p>Record a video of yourself explaining these things, using your best presentation skills.</p>	<p>Task 8 Create a gymnastics sequence and record it.</p> <p>You can include: Shapes, rolls, jumps, travelling, balances, pair and group work.</p> <p>Choose your own music to perform to.</p>	<p>Task 10 Click here for a little practise creating circuits and a start in understanding that electricity needs to be in a loop for it to work.</p> <p>Need a challenge? Click here!</p>
<p>Task 3 Use: https://www.timestables.co.uk/ To practice a times table you're not confident with.</p> <p>When you're done, use https://www.topmarks.co.uk/mathsgames/hit-the-button to answer the questions as speedy as you can!</p>	<p>Task 6 Create a quiz for someone to complete at home or at school. It can be about:</p> <ul style="list-style-type: none"> • similes & metaphors • synonyms & antonyms • adjectives, verbs, adverbs & nouns. 	<p>Sumdog Assessment Activity Once a week.</p> <p>20mins free play once a week</p>	<p>Language Nut Use the vocab trainer button on LanguageNut to train your 'All About Me' vocabulary units. Take a screenshot for each of your units.</p>

Ask me

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?
6. Tell me one thing that you learned today.

Sharing your task:

Option 1:

- Take a photo of your learning/ make a video/ create a document.
- Login to your Teams account on glow and go to your clan Team.
- To add a response, access class notebook>Home Learning. click 'add page' and complete your choice of activity on this page OR reply to the task assignment your champion has sent you.

Option 2:

- Take some paper home from your clan to record your home learning.
- Bring it into school, use a device to take a photo and upload it to your online jotter or submit the assignment.
