- Calderwood Choir: [Have a look at their video here.](#)
- [West Lothian Warm Hubs](#)

## **Calderwood Compliments:**

- [Bluebell Clan Connects](#): A huge well done to the children and champions in Bluebell Clan, for their assembly last week. It shared all their literacy learning about narrative writing in a fun and creative way. Your creativity shone through, and they all really looked like they were having fun on stage!
- **Tinsel: The Nativity**: Just wow! We are truly overwhelmed by the talent of our Primary 1 children, starring in our first ever live nativity performing to an audience. Their singing was fantastic, confident acting skills and most of all - they had fun! Thank you to our champs for making this happen and to our families for all their support with the performances. Thank you to those who helped with teas and coffees too! Photos and videos coming soon but you can see the [trailer here](#).
- Our chiefs and captains represented Calderwood at the Kirkin of the Council & Carol Service at the Kirk of Calder, in Mid Calder. We are very proud of them! [Find out more here.](#)
- Thank you to Stirling Development for our Christmas tree again this year, we just love it!
