

Home Learning Choice Board- Primary 5

Dates: 27.02.23 - 24.03.23

My interdisciplinary context for learning is.... Europe and engineering.

The tasks in blue must be completed. The other tasks are optional.

You will share all of your learning at our home learning highlights!

My weekly reading homework is to read for enjoyment three times a week. You can record your thoughts and ideas in your reading passport. Bring your passport in and share this at our home learning highlights!

|--|---|---|---|
| <p>Task 1</p> <p>Draw 5 different flags, they all must contain either; orange, green, yellow or white in them. Name them and find out 3 interesting facts about them - create a poster to show your learning.</p> <p>Extension: are there any colours which are not in any European flag? If so, which one and why do you think this is?</p> | <p>Task 2</p> <p>Research: find out how the European Union was formed and which countries were involved. (You can use the 'European Union Facts' on Ben Lawers channel.</p> <p>Write a 150-200-word informative essay about what you have learned.</p> <p>Challenge: create a timeline of countries that entered the EU (first to last)</p> | <p>Task 3</p> <p>Please find a weekly spelling list on Teams 'Ben Lawers home learning' channel.</p> <p>Practice spelling the words, putting them into context (i.e. a sentence) and finding the meaning of them. You will also find the active spelling strategy of the week.</p> | <p>Task 4</p> <p>Can you find out the biggest and smallest country in Europe (by land mass) and determine what percentage of Europe they cover.</p> <p>Are there any countries in Africa, America or Asia which are similar in percentage coverage?</p> <p>What about the smallest country in Europe?</p> |
| <p>Task 5</p> <p>Create a paper aeroplane. Measure how far it flies.</p> <p>Can you adapt the aeroplane to make it fly further? Note down the changes you've made and the distance it has covered.</p> | <p>Task 6</p> <p>Can you design your own exercise video?</p> <p>Watch videos by Joe Wicks and other creators.</p> <p>Plan your exercises, practice your presentation skills by writing a script and rehearsing it Then, video yourself doing them. This can be done individually or with friends!</p> | <p>Task 7</p> <p>Find out what the 5 happiest countries in Europe are.</p> <p>Why do you think people are happier here than the other countries?</p> <p>Challenge: can you find out how this data was collected and how they measure what 'happy' means?</p> | <p>Task 8</p> <p>Using the map of Europe found on Teams (Ben Lawers channel) complete these challenges:</p> <p>Write down anything new or surprising that you have learned after looking at the map (i.e. size of countries, countries you have never heard of, location etc).</p> <p>Recreate the map by drawing it out – challenge: can you draw this online? (click here for a sketching website)</p> <p>Extension: label the map and colour the countries in based on the colour of their flags.</p> |
| <p>Task 9-Sumdog</p> <p>Complete the challenges on Sumdog:</p> <p>Multiplication challenge Number processes challenge Measurement challenge</p> | | <p>Task 10-Languagenut</p> <p>Complete the challenges on Languagenut:</p> <p>Focus on food and culture.</p> | |

Ask me!

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?
6. Tell me one thing that you learned today.

Sharing your learning:

- All home learning should be put in your class notebook in your home learning jotter on Teams.
- You can add videos, upload photographs, insert Sway/PPT links or type directly onto your jotter. You can use a device in school to help you do this.
- You can share your learning with your clan *home learning highlights*.
