

# Home Learning Choice Board- Thistle

Dates: 27.02.23 - 24.03.23

*My interdisciplinary context for learning is Engineering*

The tasks in blue must be completed. The other tasks are optional.

You will share all of your learning at our home learning highlights!

*My weekly reading homework is to read for enjoyment three times a week. You can record your thoughts and ideas in your reading passport. Bring your passport in and share this at our home learning highlights!*

<p><b>Task 1</b></p> <p>Write a story using your imagination. If you would like you can include some of your favourite things. Think carefully about punctuation and layout.</p>	<p><b>Task 2</b></p> <p>Research a famous inventor, take some inspiration from them to create your own invention. ## Ask me!

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?
6. Tell me one thing that you learned today.

## Sharing your learning:

- All home learning should be put in your class notebook in your home learning jotter on Teams.
- You can add videos, upload photographs, insert Sway/PPT links or type directly onto your jotter. You can use a device in school to help you do this.
- You can share your learning with your clan *home learning highlights*.
