Calderwood Communication:

- We have a Validated Self Evaluation from West Lothian Council on 10th and 11th May. This is when a team of professionals come in, to look at our learning, teaching, assessment and attainment and achievement. They will observe learning in the clans, speak to our children, champs, families and partners.
- August 2023, will bring an exciting new Chapter 3 to Calderwood Primary as we go through another period of growth. In order to accommodate this growth, West Lothian Council have applied for planning permission for three Temporary Units which can host 6 clans, for August 2023. They have also submitted plans to extend the school by 10 more clan spaces, to accommodate the growth of the Calderwood Community. I am sure you will agree that managing change and transition is a strength of the Calderwood Champions, we will keep you updated as plans become approved and what transition will look like into August. I have reached out to the Parent Council, to request webring
