

# Home Learning Choice Board- Ben Lawers

Dates: 28.04.23 – 26.06.23

*My interdisciplinary context for learning is*

*Climate Change & Natural Disasters*

The tasks in blue must be completed. The other tasks are optional.

You will share all of your learning at our home learning highlights!

*My weekly reading homework is to read for enjoyment three times a week. You can record your thoughts and ideas in your reading passport. Bring your passport in and share this at our home learning highlights!*

We take your futures seriously, enhancing your skills beyond the purely academic is a requirement for the 21stC workplace. Equipping you with independent learning skills, encouraging you to take responsibility for your actions, by first helping you understand the consequences of your decision-making, all while developing an understanding that you are part of a global community.

Therefore, we have signed up to the ITZA School Challenge as a solution to helping your children learn more broadly. From **WEDNESDAY 10<sup>th</sup> MAY**, students can access an abundance of online resources to explore independently and learn more about climate change and sustainability.

Using this knowledge, you will then take part in a series of quizzes, competing against schools all over the world.

### What You Will Do in the Challenge:

- Go head-to-head with schools across the globe
- Explore new content independently
- Take part in fun quizzes to test knowledge
- Climb the leaderboard!
