

Home Learning Choice Board

My interdisciplinary context for learning is comparing the past to present day examples of transport, buildings, art, civilizations, technology or world conflict.

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

My weekly reading homework is to read for enjoyment for 10 minutes each evening. Looking for opportunities to read text in real life.

STEM & HWB

Literacy

Across the

Task 1 - Maths/HWB

Design a meal starter, main and desert using all the food groups. Using an online shopping tool, calculate the total cost of your meal.

Task 4 - Spelling/IDL

Create a list of vocabulary that is related to your IDL topic (transport, buildings, art, civilizations, technology or world conflict) and create a picture dictionary of these.

Task 7 - HWB

Go for a walk, look for signs of autumn, take pictures if you can, make a collage and upload to teams.

Task 2

Bake a cake using a recipe, while it is baking, evaluate the weights and measures of the ingredients to make an estimation of what the cake will weigh. Once it is cooked, weigh out the cake and see if you had a reasonable estimation.

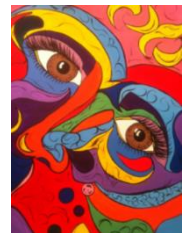

Task 5 - Writing/Music

Write the lyrics to a song to share your new knowledge about your IDL topic.

Task 8 - Art

Paint or draw an abstract self-portrait.

Task 3 - Digital Literacy
