Annual Calendar 2023-2024

This calendar provides parent/carers with an overview of dates of events throughout the academic year. This overview forms part of our communication and should allow you to have the information you need in order to plan your diary. Please note however that these dates and times are subject to change.

We will email **weekly newsletters** with a reminder of upcoming dates, please refer to this and to our **nursery noticeboard**, to ensure you have the correct information. Email and our noticeboard will be our main platform for communication.

Please note, seesaw is not a main form of communication at present and monitoring of this platform will vary therefore any important correspondence/questions should be sent to our school email address:
