## Building Work – Extension

We are delighted to announce that the first phase of work for the planned school extension will begin on Monday 9<sup>th</sup> October, during the school holiday period. Whilst this will not directly impact on our nursery, please be aware of increased construction traffic. Entering and exiting our nursery may be busier than usual during October due to necessary changes to school pupil entrance and exit routines.

## Scholastics Book Fair

The Scholastics book fair will be available at our parent consultations on Friday 6<sup>th</sup> and 13<sup>th</sup> October. Please contact a member of staff if you wish to access it outwith these times.

It is a cashless system, you will need your phone to scan a QR code to purchase but you will also need your bank card to complete the transaction.

A member of staff will be on hand to assist.

## Our ELC is open!!!
