

Author Visit Form!

We are excited to announce that the author, Sally-Anne Peek will be coming to your child's nursery school to read her book, 'Stuck in the Mud' on Wednesday 18th October to discuss the **importance of friendship, perseverance and inclusion.**

The wonderful gentle message of the book is to encourage children to be brave and strong while helping them to be resilient and reminding them that with the help of friends, they can achieve more.

This is a muddy tale of farm animals, adventure and an unlikely hero!
