- **27th October: Halloween Dress Down Day:** Please no masks and take into consideration school appropriate costumes
- **[27th October: Primary 1 -4 Halloween Party \(in school time\):](#)** Funded by the Parent Council

Calderwood Communication:

- [Parent Council AGM Minutes: 12/10/23](#)

Calderwood Construction:

- Earlier this week we issued communication on the enhanced measures we have put in place during the first two weeks of construction. Education Officers have also supported us with organising and implementing these arrangements.
- West Lothian Council have instructed our contractor to install temporary fencing around the pitch and playing fields. This will restrict public access to the school grounds during construction. Unfortunately, due to unforeseen circumstances installation has been delayed but anticipated for week beginning Monday 23rd October.
- The fencing in the immediate playground is hoping to be finished by the end of next week, meaning that in week beginning 30th October, we should return to some more 'normality' for our daily routines.
- We are looking into the traffic congestion issues with the contractors in the surrounding areas of the school. A gentle reminder to families that there is no parking on the Nethershiel Road side of the school. Also, our staff finish their shifts at different times, we would ask if you are using the carpark that you park responsibly.

Calderwood Compliments:

- A huge well done to Thistle Clan for starting our Clan Connects for the session, they shared their learning about inventors and inventions with the clans and their families. Thank you for everyone who came along to support them. You can see some photos on [Twitter](#).
- Thank you to our Parent Council for organising the Halloween Swap Shop today! What a fantastic way to support our children to get ready for the spooky season.
- Well done to [Roe House](#) for winning the house points for Term 1, they received a PJ party this week to celebrate!
- Thank you to our Parent Council for all their fundraising efforts, you can find out more about how we use their [donations here](#).
