

Halloween Fun!

I'm not sure who had more fun this week, the pupils or our staff! I would like to say a heartfelt 'thank you' to the amazing staff team we have at Calderwood Nursery. They go above and beyond for our little ones.

Calderwood Primary and Nursery Tempest Photography

Please be reminded that Tempest photographers will be in school and nursery on Monday 6th November. If your child **does not** attend on a Monday, you are invited to the school between 8.15-8.40am for both individual and school sibling photos. You should enter via the Arena (gym hall door) which is accessible on the outside of the building, rather than coming through the school main office door. An email was sent to the parents of children who do not attend on Monday with arrangements. If your child does attend nursery on a Monday, you will not have received an email. Your child will receive their photograph during their session on Monday.

Apologies:

I am sorry to hear that some parents have been disappointed in the communication of late. I understand how busy our lives are and I do strive to ensure communication is in a timely manner.

The last 2 Chronicles have been put out on the blog rather than emailed due to a number of factors. I now have access to send groupcall email.

I reviewed communication in August. I will review and consult parents again in December.

All dates for the year have been sent out (issue date 29.9.23) and I will send these dates in a termly calendar (issue date 27.10.23) I also have an 'upcoming dates' section within the weekly chronicle.

Flu Vaccination

We have been handing out letters to invite pupils to receive the Flu vaccination, unfortunately we did not receive enough letters. We are still awaiting communication from the NHS team. Our hope is that the forms will be delivered to us on Monday. If you have had to wait for a form, please hand in by the extended time of Friday 10th November.

NHS staff will be in our setting to administer the Flu Vaccination on Wednesday 22nd November.
