## Our Calderwood Choices

- 1

- **Reminder**
  - Quietly remind the pupil of the school expectations: *ready, respectful and safe.*
- 2

- **Turn it around**
  - Issue a warning to the pupil in private and remind them that they can turn their behaviour around by making positive choices.
- 3

- **Last chance to turn it around (30 second chat)**
  - A 30 second discussion will take place with the pupil privately using the following script.
- 4

- **Time Out**
  - If the last chance is not adhered to-a time out in an appropriate place should be given, such as outside the clan room or in another clan.
- 5

- **Restorative Conversation**
  - A restorative conversation should follow from the time out, where the champion and pupil should discuss the behaviour.
- 6

- **Refer**
  - If the behavior continues to escalate, pupils should be referred to Miss Connor, Mrs Bates or Miss Stark. Parents/carers may be contacted at this stage.
