

With one more week left before we finish for our 2 week break and end our year in 2023, I would like to take this opportunity to thank all of our parents for your support this year. I have only been a part of this wonderful nursery for a short time but I feel very privileged to be part of the Calderwood Community through our work in the nursery and whilst I haven't managed to meet you all yet, I look forward to getting to know our families and children better throughout 2024.

A huge thanks to our Parent Council team for their donations and help with our Christmas events. The Cauliflower cards, Christmas Fayre, Carols around the campfire and our Christmas parties have all been possible because of the support from our Parent Council volunteers.

I would also like to thank the staff of Calderwood Nursery for the hard work, care and dedication that goes into their role as Champions for our Calderwood pupils. We have a fantastic staff team and I look forward to seeing the exciting things they have planned for our wee ones in 2024.

We look forward to welcoming your children back on Monday 8th January. Please see our calendar of events for the next term until end of March 2024 below.

A full yearly calendar is available on the blog and can also be accessed by this link:
