

# Primary 4 - Term 3

## Home Learning Choice Board

My interdisciplinary context for learning is East Calder Local Legends.

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

My weekly reading homework is to choose a personal reader. I can select this book from my clan library, online books or books from my home. When I complete a book I will update my reading passport.
