### ROON ABOUT

Roon about, roon about  
In the wee hoose,  
Up a bit, up a bit  
Catch a wee moos.

### The Wee Rid Motor

In my wee rid motor  
I can gang for miles  
Up and doon the garden,  
Through the lobby whiles

Mony a bigger motor  
Gangs tae touns afar,  
Nane can gang whaur I gang  
In my wee rid caur

## Roguey Poguey

Roguey Poguey  
Pickety Peel  
My Sister is  
A richt wee deil!

She nips my lugs  
And rugs my hair  
Scatters my toys  
Aa ower the flair!

She lauchs and thinks  
It is great fun  
But then her age  
Is only one!
