Phone Advice line (for
parents, carers,

Occupational Therapists help children and young people to carry out activities (occupations) they need, want or are expected to do, but are unable to do so. These activities include things like self-care, education, play/leisure.

Do you have any concerns or questions about a child/ young person's abilities to complete daily activities...

- Struggles with zips, buttons and laces?
- Handwriting is difficult?
- Can't yet ride a bike or balance on a scooter?
- Poor fine motor skills? Can't use cutlery?
- Can't sit still to complete a task?
- Struggles to be organised?
- Dislikes loud noises or puts everything in the mouth?

Call our advice line for a 10 minute conversation with an Occupational Therapist.

Our scheduled phone line will take place on:
Thursday 14th March between 2pm-4pm
Thursday 28th March between 2pm-4pm
