Calderwood Community Passes

We are excited to announce that Calderwood Primary school can now offer our families free days out with our very own community passes!

With the help from two of our local builders, **Cala Homes** and **Taylor Wimpey** we as a school have been able to purchase a selection of passes for two local attractions.

These are available to any of our Calderwood families to use over the weekends and school holidays to allow you to treat your family to a fun day out!

At present we have 4 passes that are available to use and if you are interested in taking advantage of our community passes, please use this link to complete a request form, <https://forms.office.com/e/QN5SKdg6U5> or scan the QR code below.

Please let us know if you have a date in mind that you would like to book and we will try our best to accommodate it.

Passes available:

2 x Almond Valley (Mill Farm)

Each Pass is for 2 adults & up to 4 children (aged 2-15)

On a wooded riverside site that extends for nearly a mile, there's so much to explore and enjoy at Almond Valley. The old stone buildings of the watermill and byres are home to friendly farm animals and a host of pets and poultry who are introduced in regular handling sessions. Across the river, among woods and gardens, there are trampolines, pedal carts and other imaginative outdoor play. Enjoy a seasonal trailer ride or a trip on the narrow gauge railway. Indoors there's soft play and playgrounds, interactive displays and activities in the museum, and a tempting range of fresh healthy snacks in the comfort of Morag's milk bar. Rain or shine, throughout the year, there's always so much to interest and enjoy.

Certain attractions (such as the soft play area) may incur an additional cost. Visit their website for more information

2 x Conifox Adventure Park

Each Pass is for 2 adults & up to 3 children (aged 1-16)

Conifox Adventure Park is located on the outskirts of Kirkliston, 20 minutes from the centre of Edinburgh. The Adventure Park and Activity Centre has lots of outdoor and indoor activities or adults and children of all ages, together with exciting events throughout the year.

Certain attractions (such as the soft play area and Adventure Centre) may incur an additional cost. Visit their website for more information
