Calderwood Compliments:

- We had our Dragons Den: Be an Engineer Competition this week. The children who represented their clan in the competition were fantastic and the judges had a very difficult task of picking a winner for each level. [Thank you to our judges for supporting the event.](#) A huge congratulations to our winners! You can find out more in this [blog post.](#)
- This week our Primary 6 clans had our second visit to Heriot-Watt University - we explored the University as a whole (including lecture theatres!), the National Robotarium and even spent time in the Oriam. You can find more about the [visit here.](#)

We can't quite believe it is the end of another term. It has been a busy time for us with lots of achievements and improvement progress made. I hope all our children and families enjoy the Easter holidays, thank you for all you support this term!
