

Primary 4 - Term 4

Home Learning Choice Board

My interdisciplinary context for learning is the Outstanding Olympians.

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

My weekly reading homework is to choose a personal reader. I can select this book from my clan library, online books or books from my home. When I complete a book I will update my reading passport.

Numeracy

Literacy

Health & Wellbeing

Across Learning

<p>Task 1</p> <p>Build a collection of items from inside your home. For example, teddies or toy cars. Share your collection equally between family members. Can the number collected be shared equally? What would the calculation look like?</p>	<p>Task 4</p> <p>Write a set of instructions on how to do something linked to your favourite sport. For example, instructions on how to do a teddy bear roll in gymnastics or instructions on how to shoot a hoop in basketball!</p>	<p>Task 7</p> <p>Share your knowledge of the Eatwell plate by helping an adult to make a healthy, balanced meal.</p> <p>Can you help plan, prepare and even cook a balanced meal at home?</p>	<p>Task 10</p> <p>Research the different sports in the Olympics and the equipment and resources needed. Go for a local walk and see if you could plan where different activities would take place if you were organising a Calderwood Olympics!</p>
<p>Task 2</p> <p>Go outside and collect natural items like rocks, sticks, or leaves.</p> <p>Build an array and write down the four multiplication and division calculations that it represents.</p>	<p>Task 5</p> <p>Find items that include instructions in your home. For example, games, recipe books or appliance manuals.</p> <p>Read and compare these instructions. What do they have in common? What is their purpose? What differences can you find?</p>	<p>Task 8</p> <p>Go on a local mindful nature walk. Practise some deep breathing at the beginning of your walk to clear your mind and focus on the moment.</p> <p>Can you identify any sights or smells that are unique to Spring? Share which aspects of Spring you are most grateful for with a family member.</p>	<p>Task 11</p> <p>Design and make your own Olympic torch using recycled materials from around your home. Write a short story about where you would send your torch and who would carry it.</p>
<p>Task 3</p> <p>Challenge yourself against the clock with division facts on Top Marks: Hit the Button.</p> <p>https://www.topmarks.co.uk/maths-games/hit-the-button</p>	<p>Task 6</p> <p>Access your spelling words and spelling menu on Teams.</p> <p>Choose different activities each week to practise your words. Remember to share your learning with your Champion.</p>	<p>Task 9</p> <p>Organise and host your own mini Olympics! Choose events, gather equipment and set up stations. Play with friends or family. You could even design and make your own medals to award to the winning athletes!</p>	<p>Task 12</p> <p>Access Language Nut and complete the challenge set.</p> <p>Use your log-in details that you have been given.</p>

Ask me

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?
6. Tell me one thing that you learned today.

Sharing your task:

Option 1:

- Take a photo of your learning/ make a video/ create a document.
- Login to your Teams account on glow and go to your clan Team.
- To add a response, access class notebook>Home Learning. click 'add page' and complete your choice of activity on this page OR reply to the task assignment your champion has sent you.

Option 2:

- Take some paper home from your clan to record your home learning.
- Bring it into school, use a device to take a photo and upload it to your online jotter or submit the assignment.
