

PARENT COUNCIL COMMUNICATION CHANNELS

For the next school year the Parent Council (PC) will be trialling a new way of communicating with parents.

Since the school opened we've relied on our fantastic clan reps to share reminders and PC announcements within their own clan group chats. We appreciate all of the time and effort that clan reps put in and are aware that sometimes there can be a lot of information to share.

For the new school year the PC has set up a WhatsApp group called "**Parent Council Announcements**"

Parents and carers can join the group via this link:

This will allow us to share PC announcements centrally without having to go through the clan reps.

We're still hoping to have clan rep volunteers for next year but their role will be more focused on collating and sharing feedback/issues relating to their clan to the school and/or the PC.

The new WhatsApp group and PC Facebook page will be the main methods of sharing PC information and reminders.

Please note that this is for Parent Council information/reminders only and the school will still continue to communicate with parents through their usual channels.
