Our Champions

You may have noticed that we refer to our staff as 'Champions.' At Calderwood, all members of staff are known as Champions, we are champions for your children.

"Every Child deserves A CHAMPION an adult who will never give up on them who understands the power of Connection and INSISTS that they become the best they can possibly be."
-Rita Pierson

Sharing our Learning

All children should now have a Seesaw profile. If you haven't received your QR code to access the account, please speak to a Champion. Seesaw allows us to share your child's learning in the nursery with you and also offers you the opportunity to share any wider achievements, experiences or successes that your child has at home with us.

Our Nursery Noticeboard is regularly updated with information of our learning.

There will be opportunities for families to come into the Nursery to join in and see our learning in action! Please keep a look out for our Stay and Play sessions and our Family Learning sessions throughout this year. These will have a curricular focus on Literacy, Numeracy, Health and Wellbeing and Skills for lifelong learning.

A calendar of dates will be sent out very shortly.
