

Pupil Equity Fund 2024–25

Calderwood
Primary

Our vision at Calderwood Primary is that all pupils, regardless of circumstance, have the opportunities and support they need to go “Beyond the Dream”. This year, we received approximately £49,000 through the Pupil Equity Fund (PEF). This will be used for staffing, resources and wider experiences to target attainment and achievement across the following areas:

Health and Wellbeing

- Personalised support packages based on individual needs, including use of a dedicated regulation space.
- Regulation and Wellbeing groups for identified learners, to develop emotional literacy, and confidence and engagement in school.
- Wellbeing Breakfast for identified learners, to increase attendance and readiness to learn.
- Continuation of wider community experiences, including Social Enterprise and community partnership with ‘The Hub’ in East Calder, to ensure opportunities for all learners to experience success and develop skills.
- Football Buzz sessions with pupils across P4, P5 and P6 to develop confidence, team work, resilience and wellbeing.
