Some of these tasks will be tricky tasks aiming to extend your learning in these areas through fun activities.</p> 		<p><b>Task 10-Languagenut</b></p> <p>Please explore the Spanish learning you have been set on Languagenut. Through this you should be able to explore pieces of language you are familiar with and areas of language which build on prior knowledge.</p>	

## Ask me!

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?
6. Tell me one thing that you learned today.

## Sharing your learning:

- All home learning should be put in your class notebook in your home learning jotter on Teams.
- You can add videos, upload photographs, insert Sway/PPT links or type directly onto your jotter. You can use a device in school to help you do this.
- You can share your learning with your clan *home learning highlights*.
