

## CALDERWOOD PS FAMILY CALENDAR INCLUDING FAMILY LEARNING OPPORTUNITIES

Family Learning is a key driver in  
the National Improvement  
Framework.

Our Family Learning Calendar has  
been linked to our school  
improvement priorities for this  
session. We will be sharing your  
child's learning in various ways  
throughout the session. We have  
detailed some of the ways below.

We look forward to working with  
families this session.

# Event Details

## Sharing Our Learning

During these sessions you are invited to come into school to be part of a lesson. During this time you can work on activities with your child(ren) During the event you can move between classrooms if you have more than one child in the school.

## Nibbles and Natters

These sessions provide targeted intervention to allow families to increase their knowledge and understanding of strategies which support your child at home. If you can't attend presentations will be available through contacting the school office after the session.

### A spotlight on :

Following our Nibbles and Natters sessions, information will be shared with the wider parent body as a spotlight on learning or school matters.

## Clan Connects

A chance for you to watch an assembly performance delivered by your child(ren)'s class. Followed by an opportunity to discuss your child's learning and view their work.

Tea and Coffee will be provided by the school.

Stay and Play  
Opportunity for P1 parents to play alongside your child in their classroom learning environment

## Liaise with Leadership

An opportunity to meet with senior leadership team (online) to discuss anything at all related to our school community. Please use direct contact with the school to discuss individual needs.
