

Into Primary 1 Transition 2025-26: Family Calendar

Our transition programme is focused on building the children's familiarity with the school environment, building relationships with our Champions and ensuring that our children feel ready and confident to take this next step in their educational journey at Calderwood.

Those families joining us from outwith Calderwood Nursery will be given specific times to drop their children off for the transition opportunities. If your child currently attends Calderwood Nursery the opportunities will be built into their Nursery Day, unless stated otherwise, as below.

Events with * are only for current Calderwood nursery children only.

Week Beginning	Activities
