

The Calderwood Chronicle

Issue Date: 14.08.2026

Dear parents/ carers,

I would like to give a very warm welcome to you and your child at Calderwood Nursery. My name is Miss Redmond and I am delighted to introduce myself as the Acting Principal Teacher of Calderwood Primary and Nursery School with line management of our nursery setting. I am privileged to be part of your child's early years experience and to support them to learn, grow and develop into confident and successful individuals.

At Calderwood Nursery, we strive on positive relationships between staff, pupils and families. If you have any questions or concerns regarding your child and their learning, please get in contact with our Nursery Early Years Officers or myself.

I look forward to getting to know you and your child, and working together to ensure your child has the best early years learning experience.

Kind regards,

Miss Redmond

Hotter Weather

Suncream

This hotter weather has been lovely for us to enjoy time outdoors however it means that we are going through a lot of suncream. Please can you check your child's bottle of suncream regularly and replace this when it is getting low. Staff will also let you know if it's becoming low by writing on the communication box on the sign-in sheet.

Sunhats

Please ensure your child has a sun hat with them at nursery and that it is labelled with their name on it.

Upcoming Dates

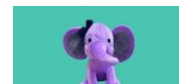

Our family learning calendar will be issued in the following weeks which will allow you to see key dates and family learning opportunities across the nursery year.

We are currently reviewing our communication strategy at Calderwood Nursery. To support our nursery with this, please provide your feedback on our nursery chronicle here: [Calderwood Nursery Chronicle Feedback – Fill in form](#)

Pick-Up Arrangements

We are currently updating our risk assessments and policies for collection time in the nursery and at this time no parents/carers will enter into the nursery playroom. These changes will take place from Monday 17th August. We ask that all parents/carers remain in our cloakroom area whilst a member of staff will collect your child and bring them to you. If there are any further changes to our arrangement policy, updates of this will be provided.

Lunches

We make nursery orders for lunches by 9:15am. If you and your child will arrive to the nursery after this time, please contact the nursery to let a member of our staff team know.

Seesaw

Seesaw codes will be issued by Monday 24th August for you to access your child's profile and connect as a family member.

Staffing News

We are very sad to say goodbye to Nicole Cassels, our foxes champion, who goes on to new adventures. We are thankful for all the support, dedication and encouragement she has given to our learners at Calderwood Nursery. We wish her the best of luck and success in her new role!

Miss Zoe Kennedy, our Early Years Officer, and Amie Long, Early Years Practitioner, will finish for their maternity leave next Friday. We wish them both a very happy, healthy and relaxing maternity leave. We will miss having them around our nursery but look forward to meeting their new arrivals!
