Calderwood
Nursery

Our Calderwood Nursery News will be issued fortnightly via email and blog. Please access our [blog](#) for all important information about our nursery. Please use our [staff overview](#) to familiarise yourself with our nursery team and to know who you can speak to when communicating with the nursery.

REMINDERS

Drop-off and Pick-Up Procedure

- A reminder that during drop-off and pick-up, no parents/carers will enter into the nursery playroom. We ask that all parents/carers remain in our cloakroom area whilst a member of staff collects your child and brings them to you. Thank you for your support and co-operation with our drop-off and pick-up from nursery procedure.
- We kindly ask all parents/carers to use the swipe button at the front door of the nursery when leaving. Please do not push the bars as these are only to be used in the event of an emergency.

NEWS UPDATES

Nursery Staff

- A massive warm welcome to Miss Wright who started with us this week. Miss Wright is our Early Years Practitioner who leads the Rabbit Clan.
- Please find a copy of our nursery handbook on our [blog](#). A QR code of this can be found in the nursery cloakroom and there are a selection of paper copies if required.
- A QR code for our Parent Council Whats App group can be found on our family display in the nursery cloakroom for any families who would like to join.

HOME LEARNING

To support our learning context of 'families', please share any photographs of activities, hobbies and interests that your child and your family have. Please add these to your child's Seesaw journal.

OUR LEARNING HIGHLIGHTS

Please access your child's Seesaw journal to see your child's learning achievements.

There has been lots of learning taking place in our nursery setting in August. As part of our clan time, our learners have been exploring the story 'our class is a family.' They have enjoyed engaging in listening and talking, writing and reading opportunities about their family and friends. This context has supported the learners to build relationships, routines and an understanding of their nursery clan.

Our learners have been very creative in our nursery garden. They have designed a scarecrow to protect and care for our garden environment. Our learners are currently selecting a name for the scarecrow and we look forward to sharing this with you soon!
