

Home Learning Choice Board- Primary 5

Term 1

My interdisciplinary context for learning is "Space"

The tasks in blue should be completed.
The other tasks are optional.

Reading Home Learning:

Read for enjoyment 3 times a week. Pick a personal reader from home or from the clan library. You can record your thoughts and ideas in your reading log.

Literacy

Numeracy

Health & Wellbeing

Across Learning

<u>Task 1 - Predict a story</u> Choose a book you have never read before. Look at the cover, title and blurb. Draw a picture to show what you predict will happen. Write 2-3 sentences explaining your prediction and the clues that helped you.	<u>Task 2 – Place Value</u> Find someone to play this with you. Each draw a place value grid on a piece of paper. Take turns to roll a dice and put that number in one of the columns. Once you have written the number you can't change it. See who can make the biggest number.	<u>Task 3 - Fitness</u> Take your pulse and count your heartbeat for 30 seconds. Be active for two minutes (running, star jumps, dancing or skipping). Take your pulse again and compare results. Write one sentence explaining what happened to your heart rate and why.	<u>Task 4 – IDL</u> Create a mnemonic to remember the order of the planets. Example: My Very Excellent Mum Just Served Us Noodles.
<u>Task 5 – Description</u> Choose a character from a book or film. Write a short description with an introduction, characteristics and an evaluation. Can someone at home guess the character you described? Remember to add adjectives.	<u>Task 6 – Money</u> Look at a restaurant menu and choose items to add the prices together. Mild: Choose two items to find the total of, then work out the change from £10. Spicy: Three items and change from £20. Hot: Four items and change from £30.	<u>Task 7 – Zones of regulation</u> Create a colourful poster showing the 4 zones of regulation (blue, green, red and yellow). Draw or write examples of feeling in each zone and add one strategy that helps you to stay in the green zone.	<u>Task 8 – RME</u> Using any material you already have at home (paper, thread, loom bands, string) and create a Rakhi bracelet for a friend or family member.
<u>Task 9</u> <u>Sumdog:</u> Use your log in to complete assigned activities		<u>Task 10</u> <u>Languagenut:</u> Use your log in to complete assigned activities	

Ask me:

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?

Sharing your tasks:

Option 1:

- Take a photo of your learning/make a video/create a document.
- Login to your Teams account on glow and go to your clan Team.
- Click on assignments.
- Click attach to add a document, or click new to start a new document.
- Once you have completed all your tasks, click 'Hand in'.

Option 2:

- Take some paper home from your clan to record your home learning.
- Bring it into school, use a device to upload as above.
