

# Primary 4 - Term 1

My interdisciplinary context for learning is:

Sea Creatures

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete.

My weekly reading homework is to read my school reading book at home and bring it back to school with me each day.

## Numeracy

## Literacy

## Health & Wellbeing

## Across Learning

|                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                        |                                                                                                                                                                    |                                                                                                                                                                                                          |

| <p><b>Task 1</b></p> <p>Use the link below to find a recipe for a healthy snack:</p> <p><a href="#">Here</a></p> <p>Have a go at making the recipe with an adult at home, measuring out the ingredients using a scale.</p>                        | <p><b>Task 4</b></p> <p>Play the post-it note game. Describe an object, person or animal without saying its name.</p> <p><a href="https://www.youtube.com/watch?v=2jDOULMPds4">https://www.youtube.com/watch?v=2jDOULMPds4</a></p> <p>Use the describing bubble to help you with your description.</p> | <p><b>Task 7</b></p> <p>Create a fitness challenge for you and a family member to complete. Record your scores.</p>                                                | <p><b>Task 9</b></p> <p>Choose a sea creature (e.g., dolphin, octopus, shark, turtle) and create a fact file including:</p> <p>A picture<br/>What it eats<br/>Where it lives<br/>3 interesting facts</p> |
| <p><b>Task 2</b></p> <p>With a deck of cards, create a number sentence with three numbers (up to 100) for addition and subtraction. Explain to an adult why you grouped two numbers first then added the third. What is this strategy called?</p> | <p><b>Task 5</b></p> <p>Read a narrative story.</p> <p>Find the orientation, complication and resolution. Explain to an adult what they mean and why they are important to a story.</p>                                                                                                                | <p><b>Task 8</b></p> <p>Watch this clip</p> <p><a href="#">Here</a></p> <p>Can you create a new character to show a different emotion that you regularly feel?</p> | <p><b>Task 10</b></p> <p>Make a sea creature using paper, cardboard, paint, or recycled materials. Ideas:</p> <p>Paper plate jellyfish<br/>Cardboard turtle<br/>Handprint fish</p>                       |
| <p><b>Task 3</b></p> <p>Practice your subitising skills with someone at home with this link</p> <p><a href="#">Subitising</a></p>                                                                                                                 | <p><b>Task 6</b></p> <p>Can you create your own wordsearch using some of your spelling words?</p>                                                                                                                                                                                                      | <p><b>Task 9</b></p> <p>Create kindness tokens and hand them out to family and friends when you notice them doing an act of kindness</p>                           | <p><b>Task 11</b></p> <p>Create a small "under the sea" scene in a shoebox. Include:</p> <p>Several sea creatures<br/>Coral or seaweed<br/>Sand and rocks</p>                                            |

## Ask me

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?

## Sharing your task:

### Option 1:

- Take a photo of your learning/ make a video/ create a document.
- Login to your Teams account on glow and go to your clan Team.
- To add a response, access class notebook>Home Learning. click 'add page' and complete your choice of activity on this page OR reply to the task assignment your champion has sent you.

### Option 2:

- Take some paper home from your clan to record your home learning.
- Bring it into school, use a device to take a photo and upload it to your online jotter or submit the assignment.
