Nursery

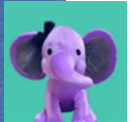

Calderwood
Nursery

Our Calderwood Nursery News will be issued fortnightly via email and blog. Please access our [blog](#) for all important information about our nursery. Please use our [staff overview](#) to familiarise yourself with our nursery team and to know who you can speak to when communicating with the nursery.

REMINDERS

- A reminder that our stay and play sessions take place on the week beginning 21st September. Please ensure you have signed up to a session where your child will be in attendance at nursery. To support our health and safety procedures, we kindly ask that siblings are not brought along to the event. We look forward to seeing you at our learning sessions!
- We kindly ask that you ensure your child is aware of what they will be having for lunch and that they are happy with this choice. This will support our lunch time process and ensure this is a positive and calm experience at lunch for all of our children.
- It is now the time of the year to do our Cauliflower Christmas Cards (we know it is very early to be in the festive spirit). Your child will arrive home with their design by Friday 18th September. If you are looking to purchase your child's design, this must be completed online and their form returned to the nursery by Friday 25th September.

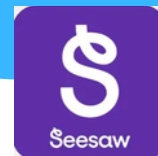

NEWS UPDATES

- Egg is now back on the menu in the nursery. Catering services have confirmed that egg products can now be included in meals again. If your child has specific dietary requirements and this has not been shared with the nursery, please contact the nursery to ensure we have the most up-to-date information.
- [Please find information regarding the NHS Winter Flu Vaccinations clinics in West Lothian here.](#)
- We will be using Parent Booking to schedule our champion conversations this nursery session. More information regarding signing up for an appointment will be issued week beginning 14.09.26.
- We are looking to further develop our outdoor learning provision and we are looking for any donations for outdoor waterproofs and wellies. Please hand any donations into the nursery. Thank you for supporting our nursery improvement!

HOME LEARNING

We are currently developing our outdoor learning opportunities in our nursery garden as part of our improvement plan. Please share any outdoor learning experiences, trips or opportunities you and your child have had. Please add these to your child's Seesaw journal.

OUR LEARNING HIGHLIGHTS

Please access your child's Seesaw journal to see your child's learning achievements.

Our children and ELC staff have re-designed the literacy area of our nursery floor. We have created a cosy and nurturing literacy corner that allows our children to engage in stories, songs and different rhyme opportunities.

We are very excited to share more information about our garden scarecrow! Please meet Bob who has been named, designed and created by our nursery learners.
