Calderwood
Nursery

Our Calderwood Nursery News will be issued fortnightly via email and blog. Please access our [blog](#) for all important information about our nursery. Please use our [staff overview](#) to familiarise yourself with our nursery team and to know who you can speak to when communicating with the nursery.

REMINDERS

- A reminder that the NHS Eye Screening will take place in our nursery on Tuesday 27th October and Thursday 29th October for our pre-school children.
- A range of family learning and engagement opportunities are available in our nursery. We have a range of Bookbug and Family Learning Sessions in numeracy and literacy available. Please continue to use the important dates section on our Nursery News to keep up-to-date with upcoming events.
- In our nursery foyer, we have welly boots that currently have no names/labels. If these belong to your child, please let a member of our nursery staff know so your child's name and clan can be added to them to support our organisation of outdoor clothing.
- Our next Nursery News will be issued on Friday 30th October.

NEWS UPDATES

- Thank you to all of our families who attended our first Bookbug Session. We were delighted with the engagement in this family learning session and we hope this has supported your understanding of stories and rhymes at home.
- The Book Fayre will be in the nursery the week beginning 12th and 19th of October. This will be available to access during drop-off and pick-up times across both weeks. A reminder that all purchases must be made online through accessing the QR code at the Book Fayre. A member of our nursery team will be there to assist you and your child.
- To support our ongoing nursery improvement, we are looking for parent/carer feedback on the transition approaches used to support your child starting at Calderwood Nursery. We would appreciate your feedback on:

- What went well
- What could be changed/added

Please [click here to provide feedback](#). Thank you again for your support!

HOME LEARNING

Following on from our Numeracy Family Learning Session, we would love to see the patterns you can make at home using different autumn outdoor resources, such as leaves, conkers and pine cones.

OUR LEARNING HIGHLIGHTS

Please access your child's Seesaw journal to see your child's learning achievements.

Our children have been exploring a range of small world play resources. Through using the child's voice, they posed curiosity and interest in small world and this had led to our children exploring the themes of pirates and castles. We are excited to see where this learning continues to go.
