Home Learning Choice Board- Primary 3
Term 2

Calderwood Primary

My interdisciplinary context for learning is:

Our Health World (sustainability)

The tasks in blue should be completed.
The other tasks are optional.

Reading Home Learning:

Read for enjoyment x3 weekly

Literacy	Numeracy	Health & Wellbeing	Across Learning
Task 1 Create a table with the headings: adjectives, verbs, nouns. Then read your reading book and fill the boxes as you come across the different words. 	**Task 2** Use your addition and subtraction skills that you are learning to help around the house. Maybe weighing some food out or counting some money. Can you explain some of the different strategies to your adults at home.	**Task 3** Christmas can feel like a busy time of year for families. Do something each day that you think will help an adult or sibling in your house – this could be helping wash dishes or tidying your room.	**Task 4** Listen to some music at home and try to identify different instruments and voices being used. Who is singing? Is their pitch low or high? Can you tap your knee or clap along to the rhythm of the song? Can you sing along in tune? 
Task 5 Practise your handwriting at home. Can you write a sentence or a note to someone without reversing any letters? Challenge: Ask an adult to write a sentence/story where they have reversed letters and forgotten capital letters & full stops. Can you fix it? 	**Task 6** Use your new found directions skills to try and guide someone from one location to another. Maybe the living room to your room, or from your house to your best friends house.	**Task 7** Find a ball in your house and practice the skills you have been learning during football & basketball - dribbling, passing, shooting. Could you create a game to practise those skills?	**Task 8** Discuss simple ways your family can help care for the environment, such as recycling or reducing waste. What Christmas items could you make rather than buy? 
Task 9 **Languagenut:** Login using your username and password given to you by your teacher. Try and complete a game which has been assigned for you.			

Ask me:

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your champion tonight, what would they tell me about you?
5. How did you help somebody today or how did you help someone?

Sharing your home learning:

- Take a photo of your learning/ make a video/ create a document.
- Login to your Seesaw account (once logins have been allocated).
- To see activities from your teacher, tap the Activities tab and look for the Term 1 Home Learning Choice Board (*on the right side under class name*).
- Click **'Add Response'** to respond and add your learning.
- Always press the green check to save work to your journal.
