for every visitor*

The James Young High School Cluster has developed a brand new programme to help equip children with the skills they need for life, learning and work.

At the Learning Festival you will see:

- ❖ Examples of the World of Work in classrooms
- ❖ Development of Leadership skills
- ❖ How important effective Digital Literacy is as a skill for life
- ❖ How an understanding Emotional Wellbeing is important for developing the skills for life
- ❖ The development of skills learned at primary school transfer to skills achieving positive destinations after high school
- ❖ Practising problem solving skills can help to develop essential skills for any job or career
- ❖ We embrace aspirations to enable all children's dreams to become a reality

*Friday 9th March
Crofthead Community Centre,
