Excited

This morning's literacy challenge as follows (everyone can attempt mild, and if you fancy a challenge you can try Spicy).

<p>Maths Mild This week we are focussing on the letter 'h' for 'hand'. Can you use your hands to show different numbers using your fingers? Remember that there are lots of ways to make a number using fingers. There are ideas in your pack to help you. How many different ways can you make 3 with your fingers?</p>	<p>Literacy Mild This week we are looking at the letter h in class 1. Mr Hunter https://www.youtube.com/watch?v=xKDFi2M50b8 Today we have a new book on bug club which we loved to act out in class- There was a princess long ago. There is a singalong version here- https://www.youtube.com/watch?v=WMLzCy2qM2k The logo for Bug Club, featuring a green alien-like bug with large blue eyes and antennae, with the text "Bug Club" in red below it.</p>
<p>Maths Spicy If you fancy a challenge why not use lots of hands to count fingers. You can use paint handprints, draw</p>	<p>Literacy Spicy Can you find any h hidden in any of your books? Have a look at a page and see how many you can find. Big text and a pointer can help you.</p>

around your hands using chalk outside or pencils on paper. How many hands makes 30?

Write a great big **h** on your wipeboard to remind you what to look for.

Don't forget, to log in to Bug Club and/or Sumdog and check out all the websites and work tasks in your Home Learning Packs.
