

Good morning Class 1!

How do you feel today? Leave a comment in the comment box below to let me know how you're doing.

Happy

Sad

Angry

Excited

This morning's literacy and maths challenges are as follows (everyone can attempt mild, and if you fancy a challenge you can try Spicy).

<p>Maths Mild Our 'h song' is all about hopping. Why don't you try making a hopscotch with chalk outside to try. If you don't have a way of drawing hopscotch how about you hop over paving slabs counting them as you go. You might need to try hopping with some helping hands or using both feet at once!</p>	<p>Literacy Mild 'Hamiltons Hat' is one of Mr Hunters favourite H books. It is read here: https://www.youtube.com/watch?v=LN0tHUeaRXs How many hats does Hamilton have? Did you enjoy the story? Can you match the hats with their owners?</p>
<p>Maths Spicy Class one love a challenge! Can a grown up tell you a number for you to colour in, or could you challenge a grown up?</p>	<p>Literacy Spicy Can you design your own hat? You might want to make one with craft materials or draw one. You could even design one for a dolly.</p>

<p>Paint the squares is a nice activity where you can colour squares up to 30 or even up to 100. You can even choose your colour!</p>
