

## Social Story – Primary 1A

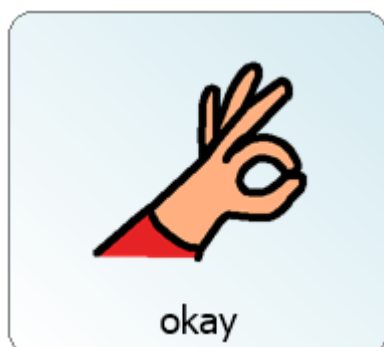

You are going into Primary 1 at East Calder Primary School.

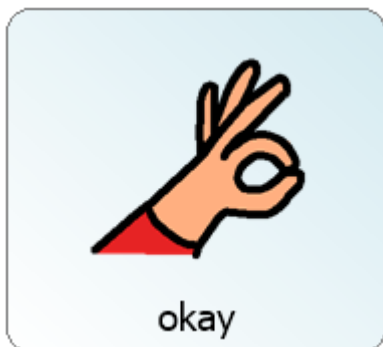

You will start your first day of school on Tuesday 15th August.

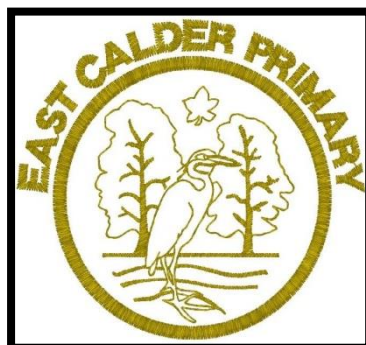

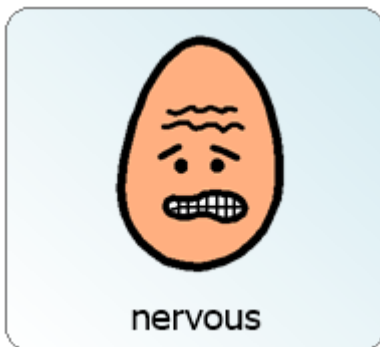

When you go to school you will be in your first ever class—  
this is okay!

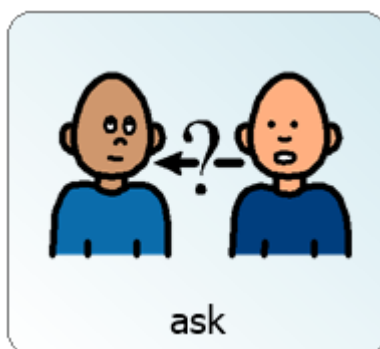

Your new class is Primary 1A. You will have a new teacher.  
This will be okay. Your new teacher is Mrs Murdoch.

You might be a little nervous about going back to school.  
It is okay to feel like this.

You can ask your teacher for help when you need it. This will  
make you feel happy.

You will use this door to go in and out the building. You won't go in or out unless an adult tells you it is time.

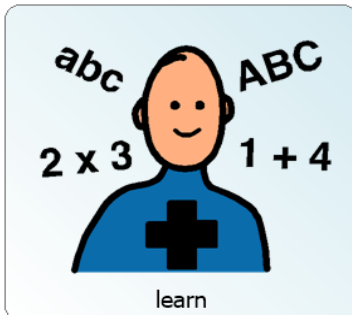

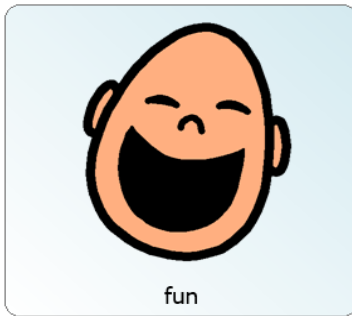

You will hang your coat and bag outside your class.

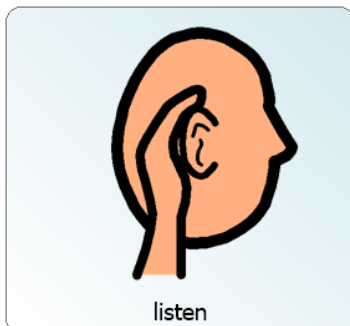

This is your new classroom. It might look a little different after the holidays. Your new teacher will make it look great for you all coming back.

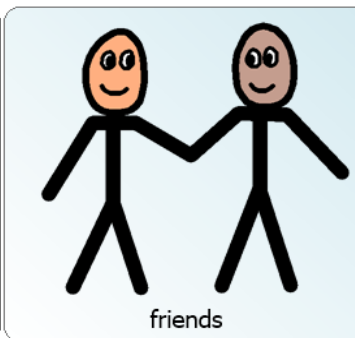

You will have fun in your new class and will learn lots of new things.

You will listen to your new teacher and follow the classroom rules.

Being in a new class will be lots of fun! You may also make new friends in your new class. This will make you happy.

You can also ask the Pupil Support Workers for help outside or when you are in different parts of the school. They will help you. This will make you feel happy.

You can tell your parents/carers all about your new class and your new teacher at East Calder Primary.
