When you go back to school you will be in a new class—this is okay!

Your new class is Primary 6. You will have a new teacher. This will be okay. Your new teacher is Mrs Stewart.

You might be a little nervous about going back to school.

It is okay to feel like this.

You can ask your teacher for help when you need it. This will make you feel happy.

You will use this door to go in and out the building. You won't go in or out unless an adult tells you it is time.

You will hang your coat and bag here.

This is your new classroom. It might look a little different after the holidays. Your new teacher will make it look great for you all coming back.

You will have fun in your new class and will learn lots of new things.
