Reading Journey Submission

We want to hear about a positive reading experience that your child has had this year at Eastertoun as we have progressed on our reading journey.

This will be submitted to the First Minister's Reading Challenge and could receive recognition at a national level!

A positive reading experience could be anything from finishing a book for the first time or trying a new type of book that becomes their new favourite, taking part in Word Book Day or our reading challenge. It could be about being a reading star or maybe they now have a library card. The list is endless!

We encourage pupils to be as creative as they'd like in their response, and it can be in any format as long as you are able to email it to lauren.swan@westlothian.org.uk.

Please see Twitter post and the school blog for some ideas if you are stuck!

P1 Learning Grid

Use the yellow jotter provided to record any learning experiences.

Upload photos of your child engaging with their learning to our school Twitter page. Remember no names please!

French Les Couleurs (Colours)

https://www.youtube.com/watch?v=PMY0sBEj4ww&feature=emb_title

Play Twister, making sure you say the colours in French.

(If you do not have the game, try being creative and making your own mat and get someone to give you the commands e.g. right hand on jaune).

Play the Corner's Game

(Put a different coloured piece of paper in each corner of a room or your garden. Get an adult to say a colour in French and run to that corner.)

Practise saying the colours when you are using pens and pencils.
