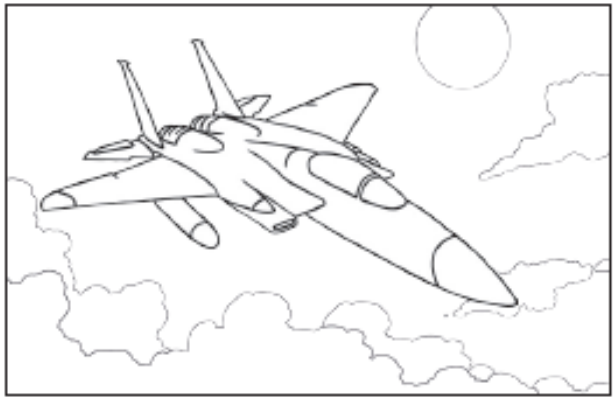
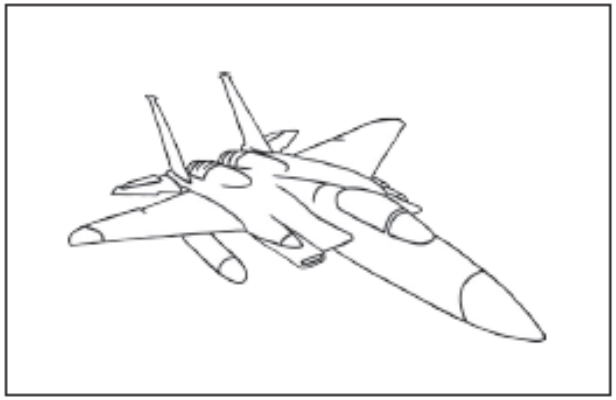
Can you colour the jets the correct colours?

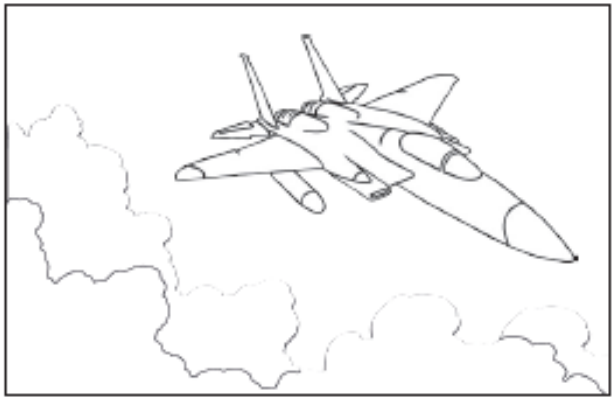
# The Jets



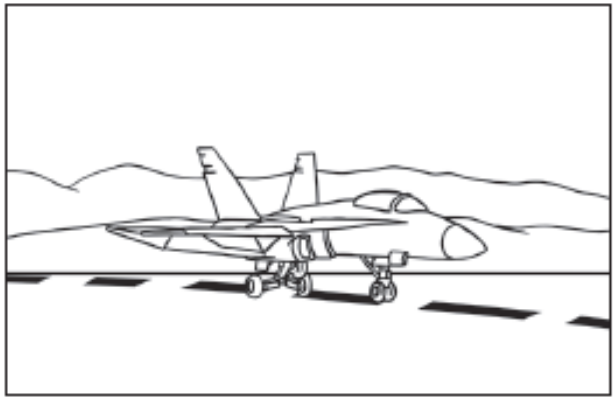
Jed was a jet. He went high up in the air.



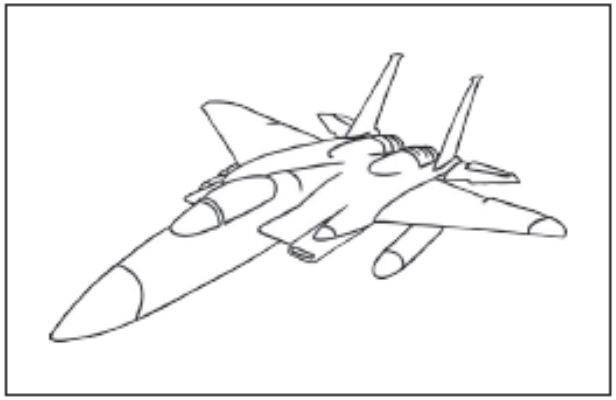
He had green wings and a black tail.



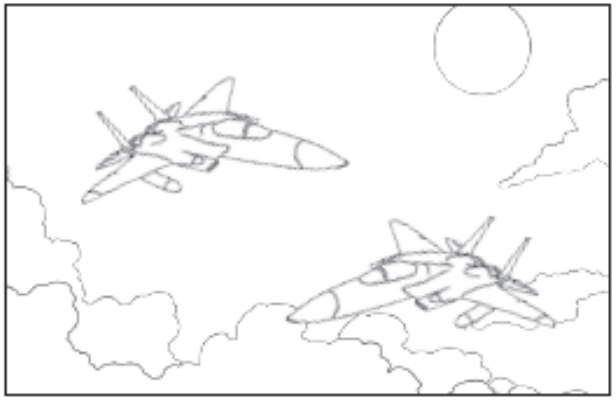
He went high and it was fun. He did jumps and tricks.



He went fast along the floor and then just took off into the air.



Jack was a jet too. He had pink wings and a tail as red as jam.



Jed went to join Jack up high. Together, they just went higher than ever.
