

## Shapes

I am learning about 2D shapes.

Practise drawing circles, triangles, squares and rectangles.

Have a look around you and see how many of these shapes you can find!

## Numeracy

I am learning about how many different places I see numbers.

How many different places can you see numbers around the home and outside e.g. clocks, door numbers.

Why not try a number hunt and find examples of numbers in newspapers, magazines, junk mail etc. Cut them out and make a poster.

## Write It!

I am learning to form my numbers correctly.

In your jotter, practise writing numerals 0-9. Make sure you are forming your numbers correctly.

## PI Maths Learning Grid

Week beginning 23.03.20

## Find It!

I am learning about different coins.

Ask your parent/carer to tip the contents of their purse or wallet into a dish and look at the coins and notes with you. You can play with them, do pretend shopping, put them in order, draw them, make rubbings. There is no right or wrong thing to do – just explore and have fun.

## Sing It!

I am learning to sing songs to do with numbers and counting.

Sing some number songs e.g. ten green bottles, five little ducks, one, two buckle my shoe, five currant buns.

## Build It!

I am learning to be an architect.

Use your imagination to build a house with whatever you can find!

## Sort It!

I am learning about different materials and sorting.

Have a go at sorting different materials around the house into different groupings e.g. metal, plastic, wood, soft, hard, shiny, dull
