

### **P5 Home Learning**

Please complete the tasks by Sunday 29<sup>th</sup> March. Tasks with a star are ones which should take longer. If uploading any files, ensure your name is in the file name as well as the name of the task e.g. 'Miss Gorman Literacy Writing'. Save as PDF if possible to folder 23<sup>rd</sup> March.

### **Maths: Multiplication**

Complete the appropriate **worksheets** for your Maths group. There is also a 'Challenge' sheet if you fancy it! These can be found under Files > Numeracy > Multiplication. There is also a PowerPoint to go over strategies learned in class.

### **Maths: Multiplication**

Play Hit the Button

### **Literacy: Spelling**

[www.spellingframe.co.uk](http://www.spellingframe.co.uk)

See instructions on the 'Websites for Home Learning' document.

### **Watch it/Read it: Newsround**

[https://www.bbc.co.uk/newsround/news/watch\\_newsround](https://www.bbc.co.uk/newsround/news/watch_newsround)

Make notes under headings and then write a short summary on what you've read/listened to. Complete under Class Notebooks or upload under Files > 23<sup>rd</sup> March.

### **Literacy: Writing**

Write a persuasive text on 'why people should wash their hands'. The genre targets can be found under Files > Literacy > Writing. You can complete this using the Class Notebook (use Learning Tasks page) or upload a photo of your work in the to the Writing folder.

### **Literacy: Reading**

Choose a book to read. E-books are available through [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) and use the class login provided. See the 'Reading Comprehension' task mat for activities. You can find this under Files > Literacy > Reading

### **Literacy: Writing**

Choose one of the 'story starters' and write a short story. Do this either on Class Notebook or upload a photo/the document to the Writing folder. All resources can be found on Files > Literacy > Writing as well in this weeks' folder.

### **History: Famous Person Fact File**

Choose a famous person from history (a sports person, politician, musician, scientist etc.). Research them using different means, and use your notes to create a fact file. Please ensure you put the information into your own words! There is a template, if you wish to use it, under Files > Topic as well as in this weeks' folder.
