

Primary 7 Learning Grid 2020

Curricular Area:				
Literacy and Communication	Compose an acrostic poem using your name. Try to use adjectives.	Complete a story using the story starters in literacy shed files.	Research a global issue and write a newspaper article about it. (Make sure you include lots of facts about it)	Global warming - fact or fiction? Find out about each side of this debate and write a balanced argument about the issue.
Maths and Problem Solving	Carol Vorderman is offering a free subscription to her website. Sign-up for free here: https://www.themathsfactor.com/	Plan a week long holiday for a family of 2 adults and 2 children with a budget of £3500. Where will you go?	Complete any sumdog challenges set for you.	Investigate: https://nrich.maths.org/primary
Science and the outside environment	Use this Kids Carbon Calculator to find out about your household's carbon footprint . http://www.parkcitygreen.org/Calculators/Kids-Calculator.aspx	Make dinner or lunch for your family using the skills you have learned in cooking. Write out the recipe for others to follow.	Look up renewable energy - you can use tigttag or any other resources and decide which would be the best to meet our electricity demand.	Research different fuel sources and design a car which could be sustainable.
Creative Arts	Make a cloud diary of your own. At a set time each day go outside or look out of your window and make a note of what the clouds in the sky are like. You could make sketches, take photographs or use your phone. Estimate how much of the sky is covered by clouds, or try and describe what the clouds look like. Research the names of the different types of clouds.	Take part in dancing with Oti on her youtube channel	Draw along with Rob http://www.robbiddulph.com/draw-with-rob	Design an eco house. Find out all about building and designing eco houses. Design your own eco house and label it with its energy saving features and sustainable materials.
Something completely different!	Give Mrs Fairley's Challenge to make a 'Gratitude Jar' a go.	Make up your own 'Quiz of the Week' on current affairs.	50 things to do before you're 11 3/4 Log on to: https://www.nationaltrust.org.uk/50-things-to-do Complete as many of the activities as you can (remember social distancing). Keep evidence by taking photos and writing about your experience.	Try PE with Joe Wicks 9am every week day.
