

SUBTRACTION

Circles: Use SHM1

Subtraction to 10 booklet in Home Pack.

Complete pages 5-8. (You could do one page a day.)

Remember to use the pictures to help or your fingers, some toys or teddies.

Triangles: Complete the worded subtraction problem worksheet.

Squares: Complete the worded problem worksheet.

Take care: some are subtraction and some are adding. **Tip:** draw a picture to help you.

PLAY IT

Play a game of Snakes and ladders with one die (dice) but double the number you throw e.g. if you throw a "3", move 6 squares i.e. double 3.

MATHS LEARNING GRID P2

Name:

SKIP COUNTING

Gather all the 2p, 5p and 10p coins in your house.

Count all the 2p coins using skip counting 2, 4, 6, 8 etc..

Do the same for the 5p coins and the 10p coins.

Challenge how much money do you have altogether?

DICE WORK (Doubles)

Circles: roll a die and say what number it is. What would be double that number?

Remember double a number is just that number plus that number again e.g. double 2 is the same as $2+2$; double 4 = $4+4$.

Challenge: roll 2 dice.

Triangles and Squares: roll 2 dice and say what the total is. What is double that number?

Challenge: roll 3.
