

## An Easter Adventure

Read the story, asking for help when you need it. Finish the story and draw pictures to go in each box. What happened next? Where did the hole go? If you want to add more then write and draw on the other side of the sheet. Remember capital letters, full stops and finger spaces.

I woke up on Easter morning and opened the curtains. It had been raining and there was a beautiful rainbow.	I got dressed and ran down to the garden to see if the Easter bunny had left any eggs.	I began to look under flowers, behind stones and next to the fence.	What was that? I could see a big, white bunny with a basket looking at me. He waved at me.
Then he turned and disappeared down a big hole in the garden.	That is strange! Where did that hole come from and where had the bunny gone? I decided to follow...
