Use these cards to start conversation with a student or for children to ask each other!

## The past

## The future

Can you remember the best day you ever had? 	What did you do for your last birthday? 
When did you move to this town? 	What was the biggest celebration you ever went to? 

What job would you like to have when you grow up? 	Where would you visit next year if you could go anywhere? 
What would you like to do for your next birthday? 	Where would you like to live when you grow up? 

## 'If'

## Holidays

If you won a million pounds, what would you buy? 	If you had a super power, what would it be and why? 
If you could meet a famous person, who would you meet? 	If you had the chance to fly in to space, would you do it? Why or why not? 

What was the best holiday you ever went on? 	What do you like to do when you are on holiday? 
If you could go on a holiday anywhere, where would it be? 	Do you like the school holidays? What sorts of things do you do?
