

**Outdoor Learning**  
**Week beginning 27<sup>th</sup> April**

How wonderful is the weather we are currently having?! I've personally loved going into the garden and seeing bees busy at work and listening to birds chirping in the trees. It is truly spring time!

Mrs Carder has kindly shared some ideas and resources to help bring nature into your gardens at home. This week we'd like you to consider designing, and possibly even building, a BUG HOTEL! This activity comes from the RSPB but there are plenty different guides out there on the internet.

<https://www.rspb.org.uk/get-involved/activities/give-nature-a-home-in-your-garden/garden-activities/build-a-bug-hotel/>

If you don't have the materials at home then feel free to complete the design activity below. You can annotate it with what materials you would use.
